Dear Life Scout:

Congratulations on your achieving the Life Scout rank in the Boy Scouts of America. You have distinguished yourself in what you can do and with your leadership to your troop.

Our goal is to encourage you to take the step to begin working toward becoming an Eagle Scout. This Life to Eagle packet is loaded with information and details to help you complete the forms properly and the important steps in planning your Eagle Scout project.

Good luck, Life Scout! Now is the time to challenge yourself to become an Eagle Scout.

Yours in Scouting,

Robert J. Katz

Council Advancement Chairman
